# Can I stop and then resume the training at a later time?

Notary Course · https://aardvarknotarytraining.com/help/can-i-stop-and-then-resume-the-training-at-a-later-time/

Yes! Our system tracks your progress. When you log back in, you will pick up right where you left off.. Please note that the training quiz (taken after watching the video) must be completed in one sitting since it’s a test. If you need to leave the training in the middle of the quiz, you’ll be presented with a new quiz the next time you attempt it.
