What’s the process to become a Notary?

Becoming a Notary Public · https://aardvarknotarytraining.com/help/whats-the-process-to-become-a-notary/

There are three major steps:

1. Complete our online Colorado Notary training class.
2. Pass the State’s online exam.
3. Submit your application to the State online, including your certificate of training completion from this course and your certificate from passing the State’s exam. Both of these are provided in a pdf format for easy online submission to the State.

We cover all of these steps in great detail during our notary course. We also link to the appropriate pages on the state’s website to make it easy.
