Why does my certificate of training completion expire in 90 days?

Certificates · https://aardvarknotarytraining.com/help/why-does-my-certificate-of-training-completion-expire-in-90-days/

The state of Colorado mandates that the certificates of training completion are only valid for 90 days after the date of issuance.

That would mean that after completing our course, you’d need to complete the state exam and the rest of the application process within that time period.
